

Charity Day 2026!

The Green Mile!

Dear Parents,

On **Friday 15th May 2026**, we will be holding a 'Green Day' in school to support our chosen school Charity 'Oakhaven Hospice'.

On this day we will be asking the children to come to school dressed in 'green' and will be holding a sponsored walk using our new field path.

The children will be finding out about charity work and how Oakhaven supports different families. On Saturday 16th May, Oakhaven are holding their annual 26 mile marathon walk, where some of the staff and family members will also be taking part. To support Oakhaven in this, each class will be given half an hour to walk around the track at least 9 times! (Hopefully lots more!) 9 laps of the track is 1 mile! As a school we are hoping to complete 26 miles altogether which would be AMAZING!

We will track your child's progress and let you know, with a special certificate, how many laps your child has completed! If you would like to take part in Oakhaven's event itself you can click the link here:

<https://www.oakhavenhospice.co.uk/oakhaven-walk/>

Please use the attached Sponsor form to collect sponsorship and hopefully we can raise lots of money for the Oakhaven Charity.

Thank you for your continued support

Mrs Gant

School Charity Manager
