Dear Parents/Carers,

2nd October 2025

As part of our commitment to inclusion in school, we are working closely with Hampshire on the 'Partnership Inclusion for Neurodiversity in Schools' project. This work includes training for staff, as well as the setup of parent/carer groups led by the Hampshire Parent and Carer network. These sessions will allow you as parents and carers, a confidential space to talk about what is going well for your children as well as any suggestions for improvement. The session will take the below format:

1st Session: Hampshire Parent and Carer network will aim to talk about what you find is working well and not so well and discuss this with the LMT (Leadership management team). You will work with the school to help facilitate the changes you would like to see happen.

2nd Session: Talk about how the changes have gone in the school and review the changes and see what has been put in place.

3rd Session: Via Zoom (TBC)

We would like to encourage as many parents/carers as possible to attend so we can further strengthen the links between school and home to support your children.

The first session will take place on Monday 13th October at 1pm.

We look forward to working closely with you to support our inclusive practise and your children.
