

Year R Summer 1 Home Learning Theme: Amazing animals

'MUST DO' TASKS

You must complete the activities in each section from the top row for your homework each week.

Reading

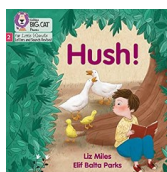

Sharing books is great fun. We can find out lots of information by looking at the front cover. Look at the front cover of your guided reading book or Library book with your adult.

What is the title?

What information does the picture give you?

Is the book fiction (story) or non-fiction (information)? How do you know?

What do you think the book will be about? Why?

Maths

Sing counting songs like "5 little monkeys", "5 little ducks" or "5 little aliens". Use your fingers to show what is happening in the song.

Tell your grown up what your fingers are showing e.g. the 3 fingers that are up show that there are 3 monkeys still on the bed and the 2 fingers that are down are the monkeys who have fallen off the bed.

Spelling/phonics

Continue to practise applying your phonic knowledge by using them to write words with diagraphs in.

Also practise writing your tricky words. Can you write them without looking?

Here is a great Tricky word song you could listen to while practising.

'CAN DO' CHALLENGES

You can decide if you would like to complete any of these challenges this half term, in addition to your weekly homework

Challenge 1

Lots of people own a pet and there are lots of different types of pets. Why not ask your friends and family what pets they have and record what you find out. I wonder which pet is the most popular?

Favorite Pets	
Dog	
Cat	
Fish	
Bunny	

dog			3
cat			3
fish			1

Challenge 2

Animal babies sometimes have different names to their mummy. Try and find out what name is given to these baby animals.

What other baby animal names can you find? Who do they belong to?

Challenge 3

We're going on a shape hunt!

Go for a walk around the village and try to spot different shapes. What shapes are the windows? What shapes can you see on the path?

What shapes can you see at the park?
