

Year R Summer 2 Home Learning Theme: Marvellous me

'MUST DO' TASKS

You must complete the activities in each section from the top row for your homework each week.

Reading

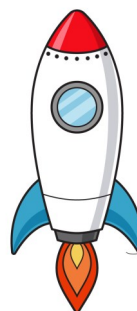

Can you find words in your library book that end with ing, ed, est, s, es and er?

Maths

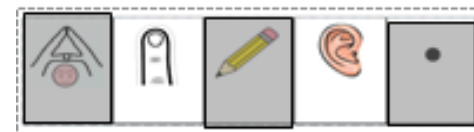

Practise counting forward and backwards from any number up to 20.

Play a game with your grown up, where they chose a number between 1-10 and you need to ask questions in order to find out their number.

Spelling/phonics

Can you write a simple sentence using what you know about sounds and tricky words. You could tell your grown up what things we look for in a sentence.

'CAN DO' CHALLENGES

You can decide if you would like to complete any of these challenges this half term, in addition to your weekly homework

Challenge 1

Be creative in the natural world. Can you make a picture using objects from your garden/park/ beach?

Or maybe you could make your own potions and write a list of ingredients.

Challenge 2

Draw a picture of what you would like to do when you grow up, maybe write a sentence to say why. Talk to your grown ups and find out what they do.

Challenge 3

Choose a game to play together outside. You could make your own tic tac toe out of sticks, stones and pine-cones.
