'MUST DO' TASKS

Reading

We will continue to change our reading books weekly, after our reading practise sessions. Please listen to your child read their book which they should be able to do independently. If they can't read a word, read it to them and talk about the book with them when they have read it.

There is also a library book for you to share with your child. Please share this with them by reading it to them.

Maths

Practise counting with your child in everyday situations, counting in 1s forwards and backwards to 100 from any number. Also counting in 2s forwards and back to 20, 10s forwards and back to 100 and 5s forwards and back to 50. Use your child's log in to complete some of the activities on Doodle Maths.

P.E.

BURSTS

Keep active by using the new BURSTS app. Try some of the activities linked to the Fundamental Movement Skills. Let's see if the Year 1 classes can be the most active in the school!

Tricky Words / Phonics

Please practise reading the Tricky Words on your child's Tricky Word Tag.

Weekly Spellings: Practise these at home. Ideas can be found in their spelling books. Spelling tests are on a Monday.
