You need to bring your coat, a book bag and a water bottle.

During the day

There will be lots of exciting things to learn about and do...

...as a group...

...as a class...

...and with a partner or by yourself!

Snack Time

During the morning you will have snack and playtime in the playground.
You may have milk and vegetables or fruit like a carrot or a banana.

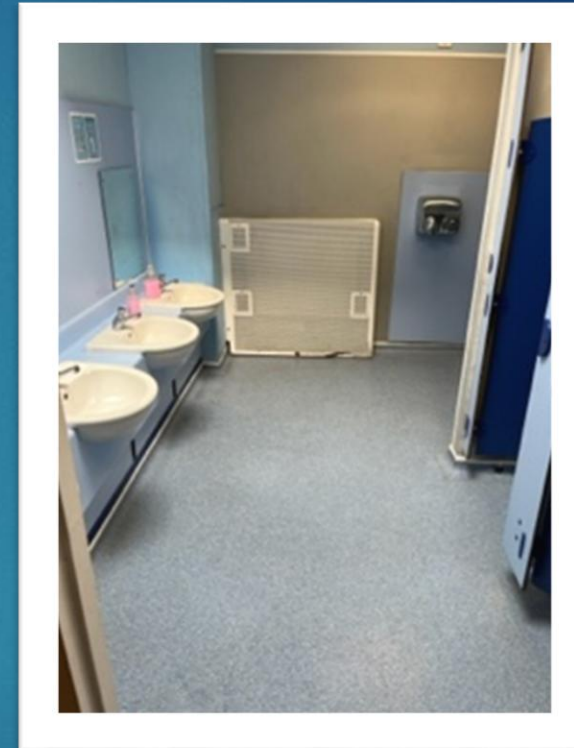

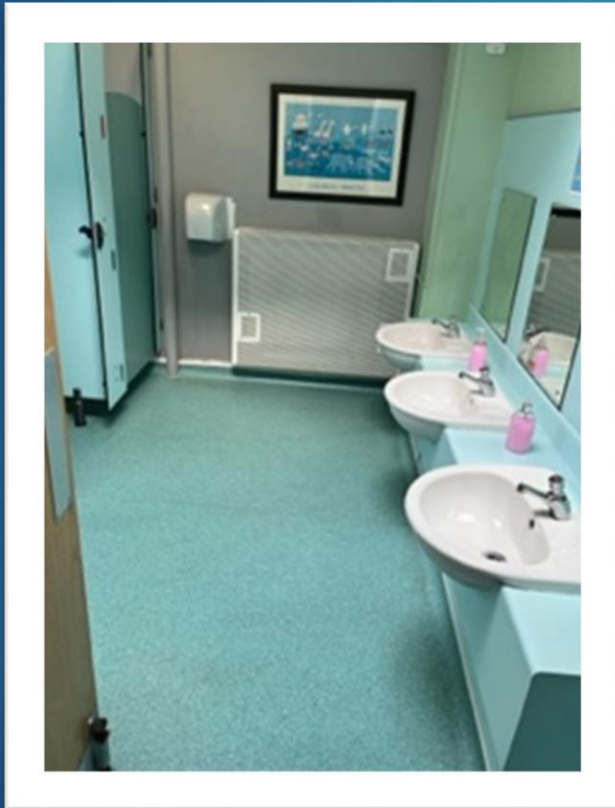

You can drink water from your water bottle whenever you want.

Going to the toilet

In Year 1 there are toilets for boys and girls in the main corridor near your classes. You can go to the toilet when you need to, but you will need to ask a grown up before you leave the classroom.

Our sinks and toilets are just the right size for you to go to toilet by yourself.

Lunchtime

At lunchtime you will have lunch in the hall. You can still have a hot school lunch or bring a packed lunch. When you have finished lunch you can go outside to play.

On Fridays we have a special top table. Children who get a Golden Ticket at lunch time are invited to have their lunch here.

P.E.

On P.E. days, you will wear your P.E. uniform to school.

Library

Once a week you will go to our library and choose a book to borrow for the week.

Year 1 will be lots of fun!
