

My New School

Marchwood Junior School

I will be going here in September and I am excited.
This story will explain everything I need to know.

This is Mr Hoskins. He is my new Head teacher. He is very nice and will meet me every day on the school gate. I will give him a big smile when I walk in the gate.

Mr Scallan and Mrs Hallinan are Assistant Head teachers. This means they help Mr Hoskins look after the school.

I am very lucky to have many outdoor spaces to play
in at MJS

The Amphitheatre

The Glades

The Trim Trail

The Upcycle Garden

I could make something for the Upcycle Garden and bring it in with me to share with my class and my new teacher.

I am going to be in Year 3 and there are three Year 3 Classes

I am excited to have my own locker! It will have my name on it so I can find it easily on the first day!

I can find them in the Den. There is also a worry monster on the window. I know where to go if I have any worries.

This is Mr Smart. He is the sports coach.
I know all the children like him! I will love his lunchtime club!

Mr Smart

This is Mrs Ford She is the SENCO and helps children with their learning. She might help me with my learning too!

This is where Lunch Bunch is. Mrs Halford works here with Mrs Smith. I will have lots of fun in here because I can play with all the toys!

We have a big library and Mrs Naylor will help me find a good book to read!

Another person I will meet at my new school is Simon. He fixes things that are broken and he's very good at it. I will give him a big smile when I see him.

There are ladies who work in the office too. They are like the ones that work at my infant school and they do the same job sorting out dinner money and medical things.

Mrs McKell

Miss Smith

I think I might have seen this outside my new school!

The most important person at Marchwood Juniors is CARE

He is the cheeky monkey that lives in Mr Hoskins's office.

He is given to a special child each week for showing good manners and caring for others.

I know I can show good manners and care for others so if I am lucky, I might get to take him home.

He always has a little bag of sweeties too!

Yummy!

I am really excited about starting at Marchwood Junior School. I know it will be a little bit scary but I will be brave.

I am going to meet lots of new friends and will have lots of fun being part of the Marchwood Junior School Family.
